

CHAMPION

L04-L29 (5-40 HP)
FIXED-SPEED ROTARY SCREW COMPRESSORS

L-Series

Advanced Technology Inspired Simplicity

A Better Approach

Champion has a long history of manufacturing compressed air equipment. With our L-Series line of products, we have uniquely combined simplicity with cutting edge design. The result—a compressor that delivers outstanding performance with unprecedented serviceability.

The Total Package

Champion has the total package—extensive compressor and air treatment product lines, sales and service support through our extensive network of authorized local distributors, and industry leading warranty programs. Because we offer more than just compressed air equipment, we can provide solutions that keep you running, protect your production objectives, and save you money.

Expect More?
Choose Champion

Without sacrificing serviceability, the L-Series compressor packages feature some of the smallest footprints in the industry.

Champion — Taking Quiet
to a **Whole New Level**

Compact, Quiet Compressors

Nearly Silent Noise Levels

The Champion L-Series compressor designs feature high-quality, sound-insulating enclosure panels and a low-noise, thermostatically-controlled, motor-driven fan. These components reduce the noise to whisper-quiet levels and eliminate the need for a separate compressor room, saving money on installation costs.

Stay Focused on What Is **Important**

Compressors are more than just a financial investment. They are a key component in ensuring that you, as a manufacturer, processor and operator, receive consistent, high-quality low-cost air. Champion uses the latest design techniques to develop a compressor that focuses on the three most important aspects of a compressor.

Reliability. Performance. Value.

Direct Gear Drive Fewer Hose Connections
Integrated Thermostatic Mixing Valve Direct Angle Injection Integrated Air Filter Low Rotational Speeds

RELIABILITY

Integrated Oil Filter Integrated Oil Separator Belt Drive
Reduced Number of Components Fully Integrated Airend Semi Integrated Airend
Fail Safe Shaft System Less Leak Opportunities

Ahead of the Competition!

Get in Touch with the **Next Generation** of Compressor Controllers

State-of-the-Art

Champion completes its industry leading compressor packages with the state-of-the-art dual position Pilot controller. Featuring advanced software and an easy to use interface, the Pilot controller provides and displays an extensive amount of data on the operation of your compressor.

Pilot Controller Features

- Real time clock
- Second pressure setting
- Discharge/line/network pressure data displayed
- Advanced fault history log
- Programmable inputs and outputs
- Auto restart after power failure
- RS485-Modbus RTU standard

Keeping the System Healthy

Total System Protection

For decades Champion has been supporting the compressed air industry with high quality, long-lasting compressor and air treatment solutions. Carrying on that legacy, our robust line of parts, lubricant and downstream accessories ensure your system stays healthy.

The focus on total system protection by Champion not only includes OEM parts and fluid solutions, but a commitment to the longevity of your equipment through our industry leading warranty programs.

Protect your investment.

Ensure your
compressed air
system remains a
total package

Sales & Service **Distributors** Across America

An Extensive Network

Your sales, service and technical support needs will be handled quickly and easily by our extensive network of Champion factory-trained, authorized local distributors. Maintaining and adequately servicing your compressor has never been easier.
