ABOUT 3C

3C Industrial is the leading provider of quality Industrial Air Compressors and Air Treatment Products in Texas, servicing mining, aggregates, power distribution, oil & gas, manufacturing, petrochemical and medical industries. We are known for our integrated approach, focused on distinguished customer service and comprehensive industrial air solutions. Our experts will become an extension of your team and business, from the very first visit. 3C is your one-stop-shop for any of your air compressor needs and is available to you 24/7.

POWERFUL PERFORMANCE

The FS-Curtis Nx Series air compressors are valued worldwide for their legendary reliability and industrial performance. The standard iCommand-Touch controller revolutionizes compressor operations by tracking temperature, pressure and logging critical historic data. Power efficiency is maximized with FS-Curtis' exclusive airend profile, centrifugal fan and generously sized components - making the Nx Series ideal for large industrial applications.

VETERAN OWNED AND OPERATED

We operate by the service, standards and core values that one would expect of those that have served our great nation.

NX SERIES FEATURES AT A GLANCE

eCOOL® Technology

- Protects critical components from compressor-generated heat
- Compartmentalized air flow design and oversized aftercooler
- Extends component life and reduces downtime

dBA Shield Noise Reduction

- Extra-thick sound insulation reduces noise
- Can be installed in applications where dBA level is critical
- Laminated oil-proof sound insulation

Energy Efficiency & Quality Components

- IE3 Motors increase efficiency and protects compressor from harsh environment
- Energy efficient oversized cooler
- Efficient, leak-free design with o-ring seal fittings & hoses, heavy-duty oil filter for added protection of air end bearings

Ease of Maintenance

- Easy access to all preventive maintenance components, pivoting separator tank lid
- Controller alerts for maintenance intervals
- Differential pressure indicators for the oil filters, air filter and separator element
